Direct Action (DA) Uniform®

Constantly Innovating to Deliver the Next Level of Tactical Apparel

# TACTICAL APPAREL EXCELLENCE DEFINED

Direct Action (DA) Field Pant

TRU-SPEC, a brand synonymous with high-quality, durable, and innovative tactical apparel, has a relentless drive to push the boundaries of what's possible in tactical clothing. Our legacy of unwavering commitment to excellence continues with the introduction of the Direct Action Field Pant, building upon the groundbreaking foundation laid by the Direct Action (DA) Uniform.

This latest addition to the DA line represents a significant leap forward in performance and functionality. Boasting cutting-edge technology and design, the Field Pant delivers unparalleled comfort, performance, and protection. Crafted with a proprietary blend of fabrics, this next-level garment is both lightweight and breathable, yet robust enough to withstand the rigors of any mission.

Beyond the Field Pant, TRU-SPEC's extensive line of apparel and accessories empowers you to conquer any adventure that awaits. From traversing urban jungles to scaling rugged peaks, our gear seamlessly integrates with your movements, becoming a silent partner in your pursuit of excellence. When the call for action arrives, you're not just answering it, you're conquering it with the confidence that comes from knowing you're equipped with the best – TRU-SPEC.

**ELEVATE YOUR MISSION, SUPERIOR TACTICAL UNIFORMS FOR EVERY CHALLENGE**

# TACTICAL RESPONSE UNIFORM® DA (DIRECT ACTION) FIELD PANT

The DA Field Pant is a new version of the TRU DA Uniform Pant without the knee pad caps and adjustable ankle cuffs. This makes it a more versatile pant that can be used for a variety of missions, from on-duty operations to off-duty wear.

Versatile pant that can be used for a variety of missions

Highly durable and lightweight construction

Maximum comfort and mobility

Compatible with D3O® P10 knee pad inserts for superior impact protection

Adjustable waist closure and padded contoured waist for long-term comfort

Height adjustable knee pads

Ample storage pockets with internal organizers, drain holes, and security flaps

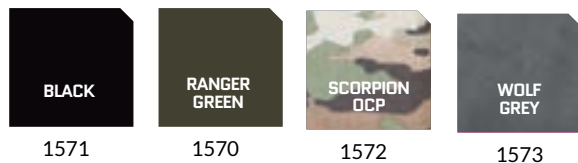

Reinforced belt loops with accessory loops

GSA/TAA compliant

SIZES AVAILABLE: Waist 28" – 46" with 30", 32" or 34" inseam

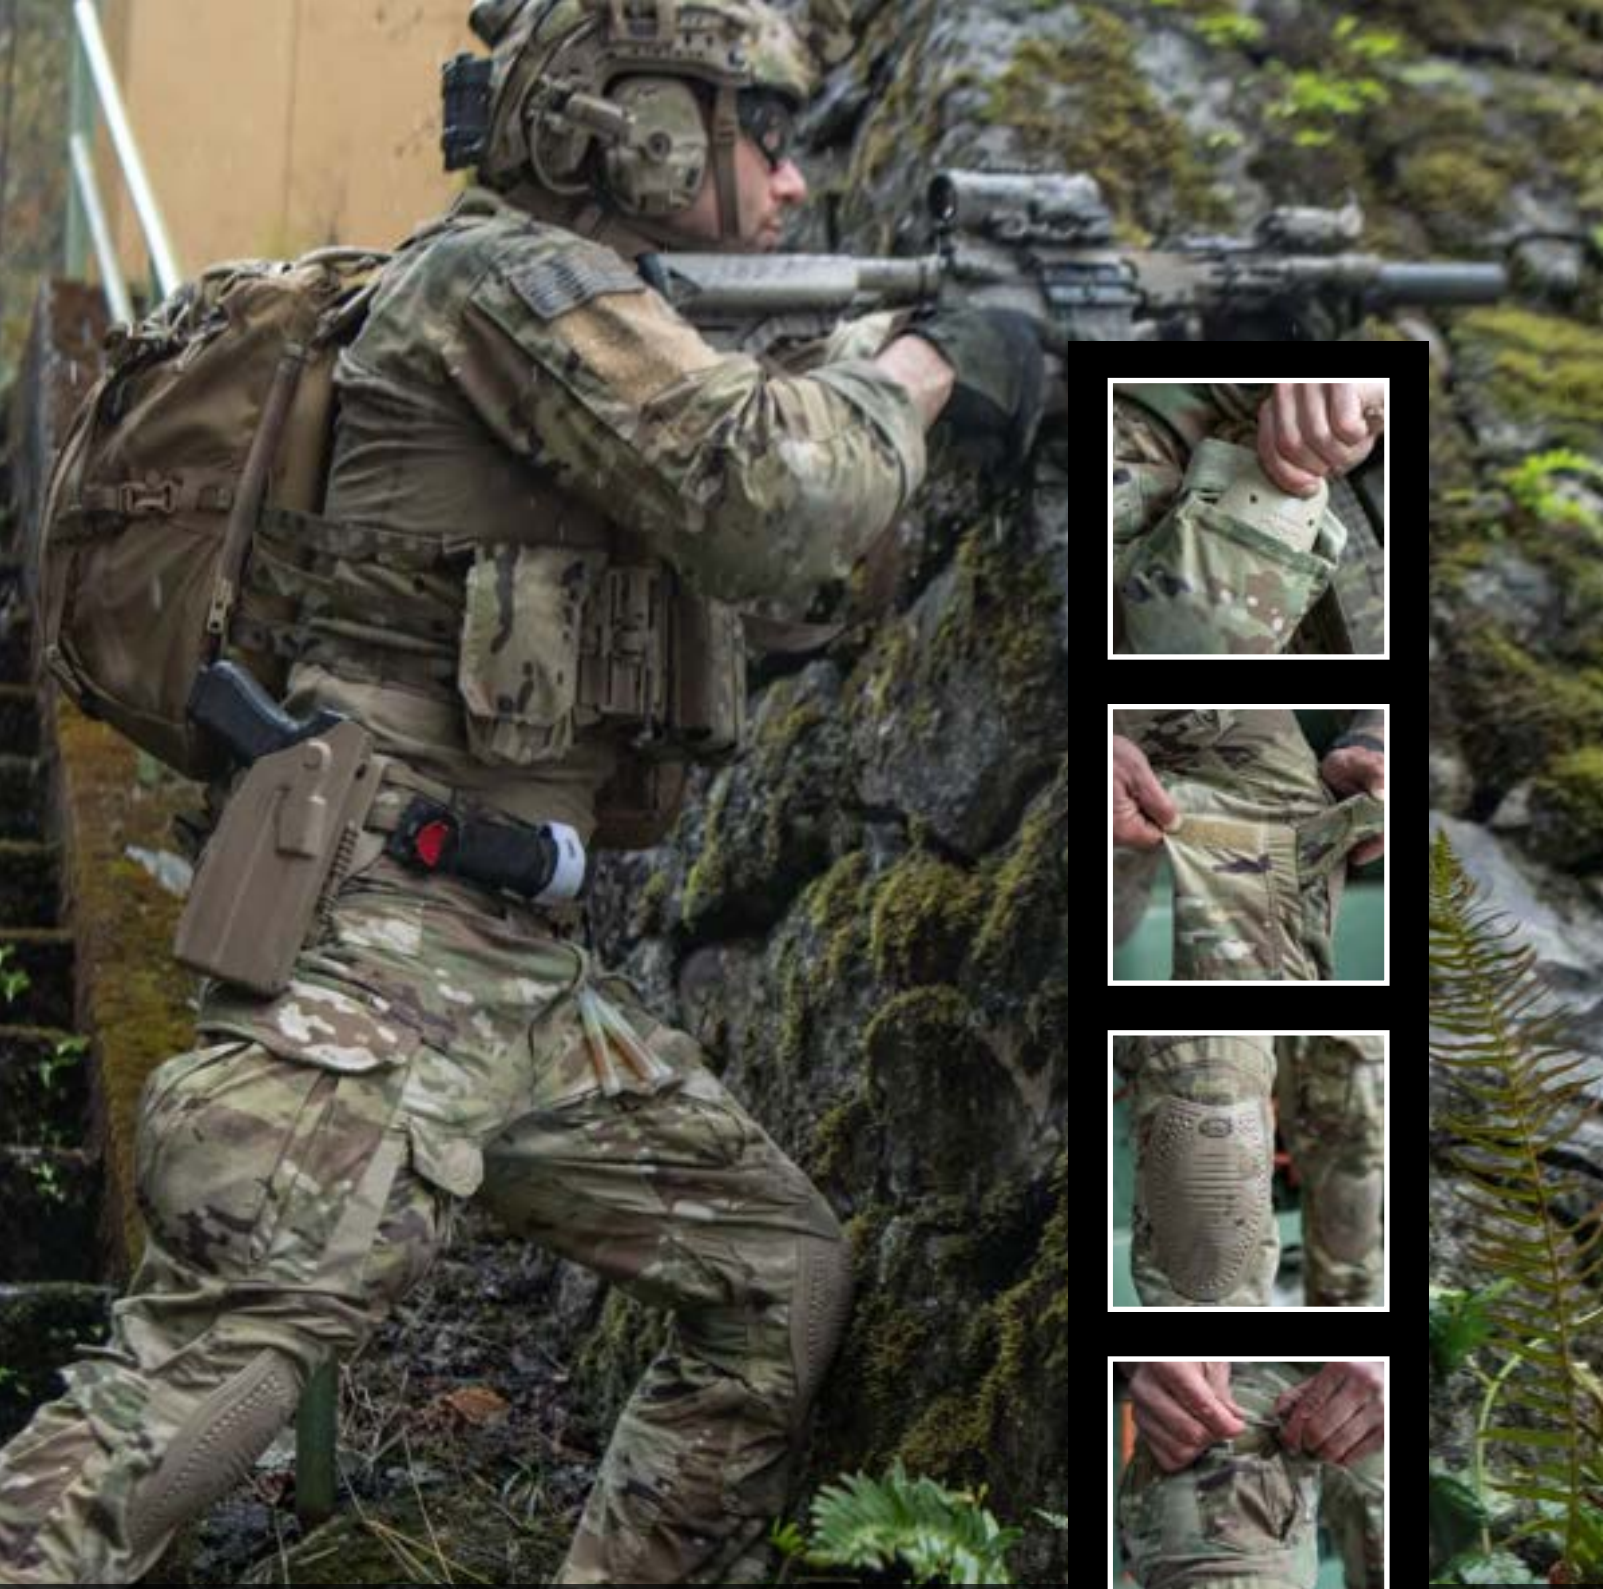

CORDURA® NYCO Extreme 57% T420 High Tenacity Nylon / 43% Cotton Rip-Stop Wrinkle-Free Finish Fabric

Custom emblems and patches,  
available upon request, ask for quote

# HOW TO MEASURE

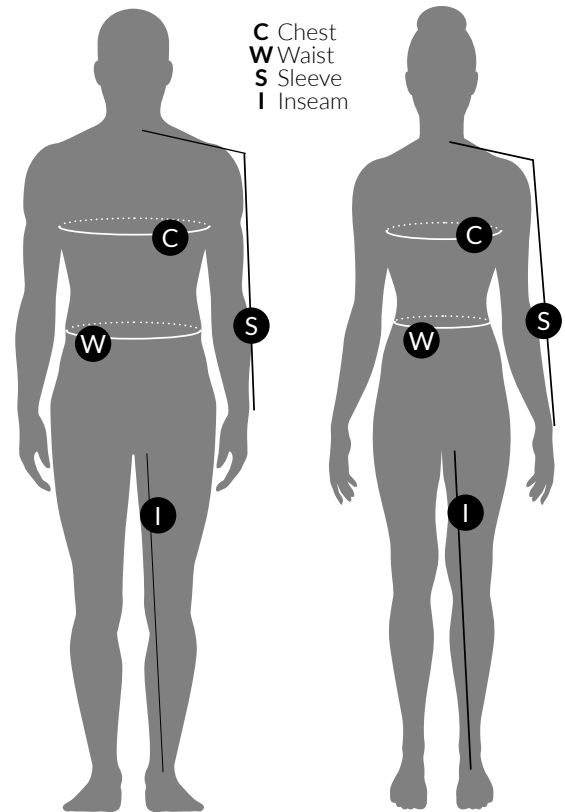

**SLEEVE:** Bend elbow, measure from center of neck in back to elbow and down wrist. Number of inches = size.

**CHEST:** Measure around fullest part of chest, keeping tape up under arms and around shoulder blades. Or, lay garment flat; measure from 2" below underarm to other underarm. Double.

**WAIST:** Measure around waist, over shirt (not over slacks) at the height you normally wear your slacks. Keep one finger between tape and body. Number of inches = size. Or, lay garment flat, measure across waistband. Double.

**INSEAM:** Take a pair of pants that fit you well. Measure from the top of the inside of your leg to the bottom of the pants. Number of inches (to nearest full inch) = inseam length.

**BELTS:** Order 1 size up from regular pants waist size.

## TRU/BDU/ACU SIZE CHART

SIZE	WAIST	INSEAM	HEIGHT	CHEST
XSR	23 - 27	29 ½ - 32 ½	67 - 71	Up to 33
